Call for papers

6th Annual IGSS Conference

October 22nd-23rd, 2015 -- Boulder, Colorado

With support from the Eunice Kennedy Shriver National Institute of Child Health & Human Development, the Office of Behavioral and Social Sciences Research, and the Population Association of America, the Institute of Behavioral Science and University of Colorado Population Center are hosting the 6th annual conference entitled *Integrating Genetics and the Social Sciences*. The goal of this conference is to showcase behavioral and molecular genetic studies that enhance demographic and social scientific inquiry. The two day conference will include a 4 hour advanced statistical genetics workshop. Researchers from any of the biological or social sciences are encouraged to participate. Information about the previous conference can be found here: http://www.colorado.edu/ibs/CUPC/conferences/IGSS_2014/

To be considered for this conference, please submit a complete paper, a working draft, or an extended abstract (including data description, methods, and preliminary results) as a .pdf file to the following link: https://cuboulder.qualtrics.com/SE/?SID=SV_eeAy498FNqIZO6N by June 1st, 2015 (note: there is an underscore between the letters SV and ee (SV_ee) on the link above).

This conference is supported by the [Eunice Kennedy Shriver National Institute of Child Health & Human Development](#) and the [Population Association of America](#). Additional funds are provided by the NICHD funded [CU Population Center](#), the [Office of Behavioral and Social Science Research](#), and the [Institute of Behavioral Science](#) at the University of Colorado at Boulder.
